

Set 4 Test 2

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The table below compares three countries in terms of GDP per capita, environmental sustainability and social well-being.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Development Indicators for Three Countries

Country	GDP per capita (thousand USD)	Environmental Sustainability Index (0–100)	Social Well-being Index (0–10)
Prosperia	50	35	8
Harmonia	20	70	9
Strugglia	15	90	5

Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

Deepfakes, automated online accounts and targeted false information are increasingly being used to influence people's political and commercial opinions. Some people believe that governments should strictly regulate online platforms to protect public debate. Others argue that such regulation may restrict freedom of expression and that improving people's digital literacy is a better solution.

Discuss both views and give your own opinion.

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Want to compare your response?
