

Set 4 Test 4

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The bubble chart below compares seven regions in terms of their current achievement in SDG 7 and SDG 9 in 2023. The size of each bubble represents achievement in SDG 4, while the shading indicates the annual rate of progress.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

Autonomous weapons can select and attack targets without direct human control. Some people believe that these weapons should be banned internationally because they create serious ethical and security risks. Others argue that they should be allowed under strict regulations requiring meaningful human control.

Discuss both these views and give your own opinion.

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Want to compare your response?
