

Set 12 Test 2

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The diagram below illustrates the main stages used in one patent system to process an application, from initial filing to a decision to grant or reject the patent.

Summarise the information by selecting and reporting the main features.

Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

To reduce urban air pollution and traffic congestion, some city governments have introduced or proposed policies such as creating low-emission zones, where highly polluting vehicles are banned, and banning petrol and diesel cars in the future.

Do the advantages of such policies outweigh their disadvantages?

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Want to compare your response?
