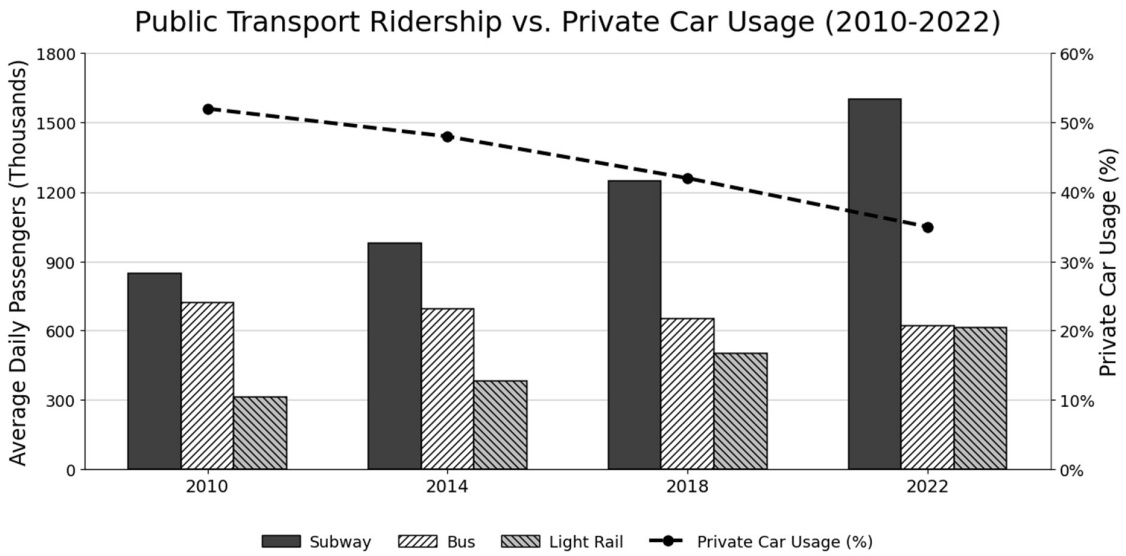
Set 12 Test 4

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The bar chart and line graph below illustrate the average number of daily passengers, in thousands, using three major public transport systems and the percentage of daily journeys made by private car in a metropolitan city from 2010 to 2022.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.



Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

Some people believe that the widespread use of computers and the internet has dramatically reduced people's capacity for original and creative thought.

To what extent do you agree or disagree?

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Want to compare your response?
