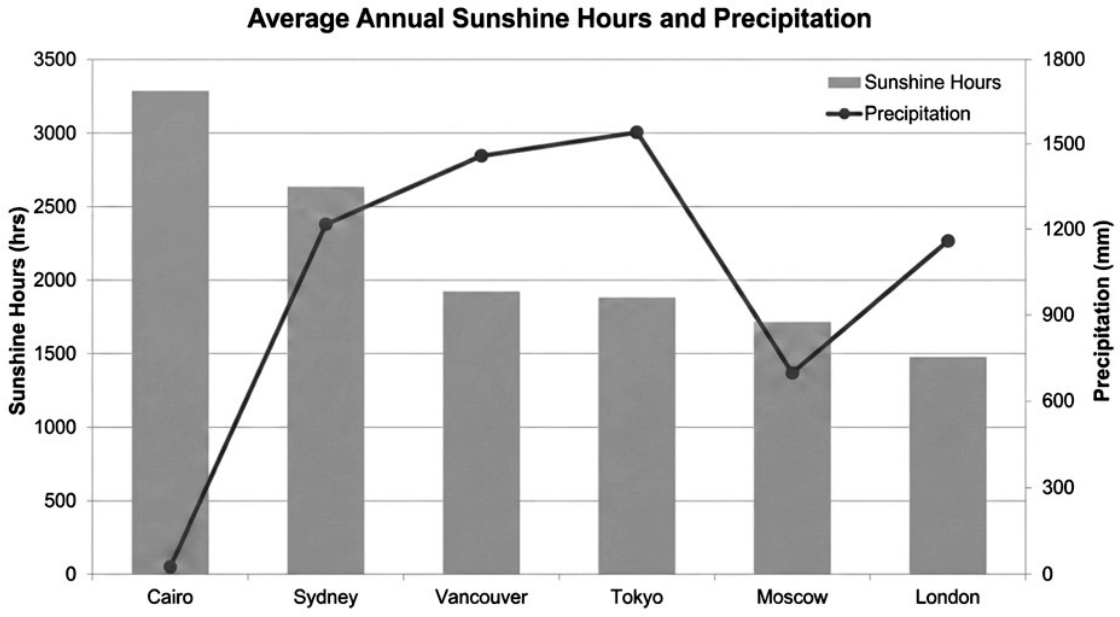
Set 14 Test 3

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The bar chart and line graph below show the average annual hours of sunshine and the average annual precipitation in six selected cities around the world.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.



Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

Some people believe that installing surveillance cameras in public areas is the most effective way to create a safe and secure living environment.

To what extent do you agree or disagree?

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Want to compare your response?
