

Set 15 Test 1

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The diagram below shows the process by which household waste is recycled.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

Some people believe that governments should invest more in public transportation, while others think that building better roads for private vehicles is more important.

Discuss both views and give your own opinion.

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Want to compare your response?
