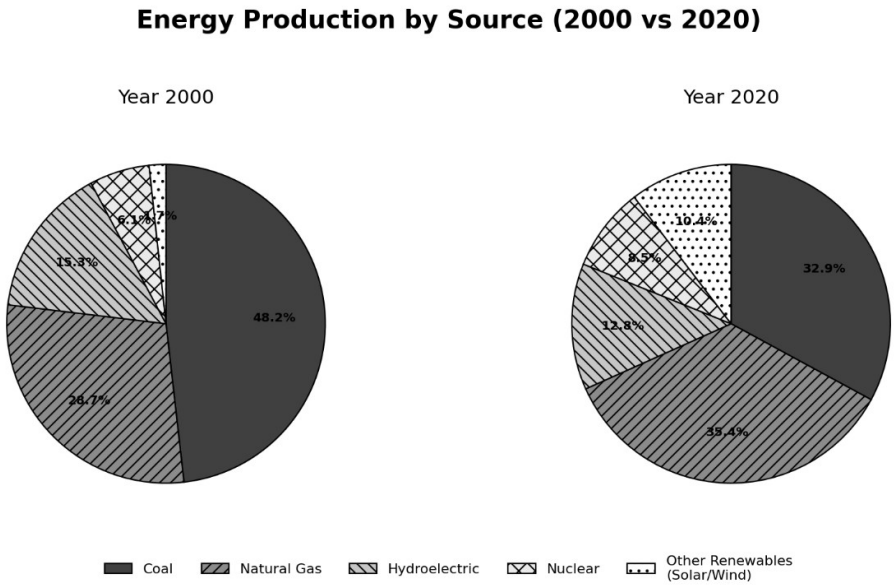
Set 16 Test 1

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The two pie charts below show the distribution of energy production from different sources in a country for the years 2000 and 2020.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.



Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

In many cities, there is a shortage of housing. Some people believe that governments should prioritise building new homes in existing urban areas, even if it means building on parks and green spaces. Others disagree and think that green spaces must be protected.

Discuss both views and give your own opinion.

Give reasons for your answer and include any relevant examples from your own knowledge or experience.
