

## Set 17 Test 2

### Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The chart below shows the proportion of household income spent on four major categories in a European country between 2000 and 2020.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

## Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

Some people think that the main purpose of education should be to prepare students for the workforce. Others, however, believe that education has a broader role in developing individuals and society.

Discuss both views and give your own opinion.

Give reasons for your answer and include any relevant examples from your own knowledge or experience.
