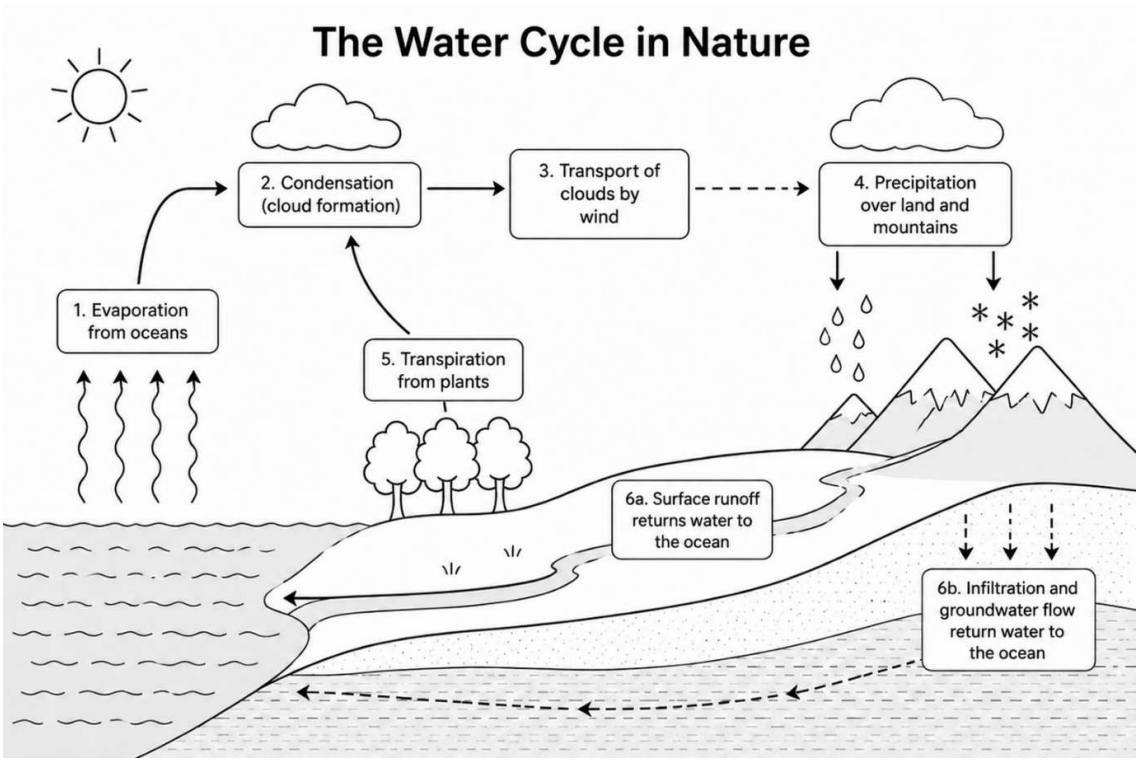
Set 18 Test 3

Part 1

You should spend about 20 minutes on this task. Write at least 150 words.

The diagram below illustrates the natural process of the water cycle.

Summarise the information by selecting and reporting the main features.



Part 2

You should spend about 40 minutes on this task. Write at least 250 words.

Write about the following topic:

As the world becomes more interconnected, many traditional lifestyles and customs are being lost. Some people believe this is a positive development, while others see it as negative.

Do the advantages of this trend outweigh the disadvantages?

Give reasons for your answer and include any relevant examples from your own knowledge or experience.

Want to compare your response?
